

**Presentations and Publications by Airway ATM Trainees at Guy's
Hospital:**

2009:

Video laryngoscopy and external laryngeal manipulation

I. Ahmad

C. Ong

V. Parameswaran

Published correspondence, BJA 2009 Jul;103(1):134-5

Cricoid pressure and video laryngoscopy: A prospective study to evaluate the use of a video laryngoscope for effective application of cricoid pressure by anaesthetic assistants.

I. Ahmad, T. Shaikh, M. Rai

Oral presentation, DAS ASM, Perth, November 2009

WINNER 3rd PRIZE for 'best oral presentation'

Supreme! Or is it?

V Kushakovskyy, I Ahmad

Published correspondence, Anaesthesia 2009; 64(11):1261-2

Case series of naso-tracheal intubations performed using the C-MAC video laryngoscope in patients with known difficult airways

I. Ahmad, V. Parameswaran, C. Ong

Poster presentation, DAS ASM, Perth, November 2009

2010:

Does videolaryngoscopy improve the laryngoscopic view during cricoid pressure?

Krishna Srinivas, Simon Finn, Cheng Ong and Imran Ahmad

Poster/oral presentation, ESA, Helsinki, 2010

Cricoid pressure and video laryngoscopy: A prospective study to evaluate the use of a video laryngoscope for effective application of cricoid pressure by anaesthetic assistants.

I. Ahmad, T. Shaikh, M. Rai

Published abstract, Anaesthesia 2010, **65**, 426-432

An Evaluation of the C-MAC videolaryngoscope

K Srinavas, S Finn, C Ong, I Ahmad

Poster Presentation, SETSA, April 2010

O2...we're better connected: An audit on current practice regarding preoxygenation

S Finn, M Raval

Poster Presentation, SETSA, April 2010,

WINNER 1st PRIZE for 'best poster presentation'

A case of a foreign body found in mouth after general anaesthesia

I Ahmad, A Xavier, AMS Morley

Oral Presentation, AAGBI, Harrogate, Sept 2010

Lacrimal Colic- an important oculoplastic symptom

S Morley, I Ahmad

Poster Presentation, BOPSS, 2010

A survey of ILMA use and training by Trainees in SE region

Shamim Sarfri, I Ahmad

Poster Presentation, SETSA, Brands Hatch, Oct 2010

Goldenhar Syndrome

K Srinavas, G OSullivan, I Ahmad

Oral Presentation, SETSA, Brands Hatch, Oct 2010

WINNER 3rd PRIZE for 'best oral presentation'

A survey of ILMA use and training by Trainees in SE region

Shamim Sarfri, I Ahmad

Poster Presentation, DAS, Cheltenham, Nov 2010

Klippel Feil Disease

E Fawzie, I Ahmad

Poster Presentation, DAS, Cheltenham, Nov 2010

Evaluation of Intubations using the Airtraq DLT

Jaemeet Kaur, Anita Kovacic, Adrian Pearce, I Ahmad

Poster Presentation DAS, Cheltenham, Nov 2010

Airway management of an obstetric patient with Goldenhar syndrome

K Srinavas, I Ahmad

Poster Presentation, DAS, Cheltenham, Nov 2010

A case of a foreign body found in mouth after general anaesthesia

I Ahmad, A Xavier, AMS Morley

Abstract Published Anaesthesia 2010

IV magnesium Sulphate prevents IV salbutamol tachycardia in asthma

William FS Sellers, Imran Ahmad et al..

Published correspondence, BJA 2010 Dec;105(6):869-70

2011:

Can you compare the views of videolaryngoscopes to the Macintosh laryngoscope?

R Mines, I Ahmad

Published correspondence, Anaesthesia 2011 Apr;66(4):315-6

Challenging multilevel airway obstruction – A case report

Rishi Sharma, Rebecca Mines, Imran Ahmad and Richard Oakley

Poster presentation, Laryngology, RCOS, June 2011

Acquired epidermyolysis bullosa complicating an obstructed airway – A case report.

Rebecca Mines, Rishi Sharma, Richard Groves, Richard Oakley, Imran Ahmad

Poster presentation, Laryngology, RCOS, June 2011

Novel Use of Glidescope Videolaryngoscope

Rishi Sharma, Rebecca Mines, Richard Oakley, Imran Ahmad

Poster presentation, Laryngology, RCOS, June 2011

Use of awake oral fiberoptic intubation (AFOI) for caesarean section in a woman with Goldenhar's Syndrome: A Case Report

N Hezelgrave, K Srinavas, L Mascaranas, I Ahmad

Eur J Obstet Gynecol Reprod Biol. 2011 Dec;159(2):479-80.

Videolaryngoscopy: Keeping sight of what's important

<http://www.respond2articles.com/ANA/forums/thread/894.aspx>

J Friis, P Chen, I Ahmad

Published Correspondance, Anaesthesia 2011 Aug;66(8):894

Randomized clinical trial of the i-gel™ and Magill tracheal tube or single-use ILMA™ and ILMA™ tracheal tube for blind intubation in anaesthetized patients with a predicted difficult airway

J Friis, I Ahmad

http://bjaoxfordjournals.org/content/107/2/243.short/reply#brjana_el_7749

Published correspondence, BJA 2011 Aug

Clinical experience with the Venner AP Advance laryngoscope in 35 patients

Vincent, I Ahmad

Poster presentation, SESA, October 2011

Evaluation of Ambu aScope 2 in eight patients with anticipated difficult airways having awake fibre-optic intubations

Vincent, M Raval, C Ong, I Ahmad

Oral presentation, SESA, October 2011

Audit of high-pressure source ventilation at a London teaching hospital

Vincent, I Ahmad, C Ong

Poster presentation, SESA, October 2011

The Shared Airway: a retrospective review of LA tracheostomies performed at a tertiary referral head and neck oncology center – preliminary results

J Friis, N Gibbins, R Oakley, I Ahmad
Poster presentation, SESA, October 2011

Perioperative management of a patient with multilevel airway stenosis

J Friis, I Ahmad
Poster presentation, SESA, October 2011

Clinical experience with the Venner AP Advance laryngoscope in 35 patients

Vincent, C Ong, I Ahmad
Poster Presentation, DAS, Nottingham, Nov 2011

Audit of high-pressure source ventilation at a London teaching hospital

Vincent, I Ahmad, C Ong
Poster Presentation, DAS, Nottingham, Nov 2011

Evaluation of Ambu aScope 2 in eight patients with anticipated difficult airways having awake fibre-optic intubations

Vincent, M Raval, C Ong, I Ahmad
Poster Presentation, DAS, Nottingham, Nov 2011

Anaesthetic management of a parturient with stridor due to recurrent respiratory papillomatosis

Vincent, I Ahmad
Poster Presentation, DAS, Nottingham, Nov 2011

Perioperative management of a patient with multilevel airway stenosis

J Friis, I Ahmad
Poster Presentation, DAS, Nottingham, Nov 2011

The Shared airway: a retrospective review of LA tracheostomies performed at a tertiary referral head and neck oncology centre – preliminary results

J Friis, N Gibbins, R Oakley, I Ahmad
Poster Presentation, DAS, Nottingham, Nov 2011

High Frequency high pressure Jet ventilation in an adult with 3 level upper airway obstruction

D Dragnea, C Igwe, C Ong
Poster Presentation, DAS, Nottingham, Nov 2011

2012:

Fluid management in major head & neck flap surgery. Phase 2

D Bareisiene, J Watkiss

Oral Presentation, *Enhanced Recovery Meeting*, Guy's Hospital, Jan 2012

Anaesthetic management of a parturient with stridor due to recurrent respiratory papillomatosis

V Vincent, I Ahmad

Poster Presentation, WSM, *AAGBI*, London, Jan 2012

Evaluation of Ambu aScope 2 in eight patients with anticipated difficult airways having awake fibre-optic intubations

V Vincent, M Raval, C Ong, I Ahmad

Poster Presentation, WSM, *AAGBI*, London, Jan 2012

Clinical experience with the Venner AP Advance laryngoscope in 35 patients

V Vincent, C Ong, I Ahmad

Poster Presentation, WSM, *AAGBI*, London, Jan 2012

Audit of high-pressure source ventilation at a London teaching hospital

V Vincent, I Ahmad, C Ong

Poster Presentation, WSM, *AAGBI*, London, Jan 2012

Clinical experience with Venner AP Advance video laryngoscope in 48 patients

DBareisiene, JFriis, VVincent, M Campbell, COng, IAhmad

Poster Presentation, *NWAC*, Istanbul, April 2012

Clinical experience with KingVision laryngoscope in 9 patients

DBareisiene, JFriis, IAhmad

Poster Presentation, *NWAC*, Istanbul, April 2012

Retrospective review of surgical tracheostomies performed under local anaesthesia at a tertiary referral head and neck oncology centre.

Friis J, Bareisiene D, Gibbins N, Edmond H, Oakley R, Ahmad I.

Poster Presentation, *NWAC*, Istanbul, April 2012

The Shared airway: A retrospective review of LA tracheostomies performed at a tertiary referral Head & Neck oncology centre

N Gibbins, J Friis, R Oakley, I Ahmad

Poster presentation, *BAHNO*, London, April 2012

The Shared airway: A retrospective review of LA tracheostomies performed at a tertiary referral Head & Neck oncology centre

N Gibbins, J Friis, R Oakley, I Ahmad

Poster presentation, *ELS*, Helsinki, June 2012

The Shared airway: A retrospective review of LA tracheostomies performed at a tertiary referral Head & Neck oncology centre

N Gibbins, J Friis, R Oakley, I Ahmad

Poster presentation, *BACO*, Glasgow, July 2012

High pressure source ventilation- an online survey in a London teaching hospital

Britta Millhoff, Nabeel Amirrudin, Cheng Ong

Oral presentation, *SETSA*, Guy's Hospital, April 2012

Winner of 3rd prize

Fluid management in major head & neck flap surgery. Phase 2

D Bareisiene, J Watkiss

Poster presentation, *SETSA*, Guy's Hospital, April 2012

BIS monitoring during Awake FOI

G Dua, D Manjiani, J Friis, M Raval

Poster presentation, *KSS Training day*, RCOA, July 2012

The shared airway: a retrospective review of LA surgical tracheostomies performed at a tertiary referral Head & Neck oncology centre.

D Manjiani, N Gibbins, R Oakley, I Ahmad

Poster presentation, *KSS Training day*, RCOA, July 2012

High pressure source ventilation- An online survey in a London Teaching Hospital

Poster presentation, *AABGI*, Annual Congress, Bournemouth, September 2012

Britta Millhoff, Gunjeet Dua, Cheng Ong

Muscle Fatigue in fiberoptic intubation. Ambu aScope 2 versus Storz

G Dua, D Bariesiene, J Friis, I Ahmad

Oral presentation, *AABGI*, Annual Congress, Bournemouth, September 2012

Efficacy of bispectral index monitoring as an adjunct to sedation during awake intubation

G Dua, D Manjiani, J Friis, M Raval

Poster presentation, *AABGI*, Annual Congress, Bournemouth, September 2012

Lacrimal Colic-An important ophthalmic symptom

Zaid Shalchi, Imran Ahmad, Ana MS Morley

Publication, *Orbit* 2012 Aug;31(4):219-21

Comprehensive Dynamic Airway Assessment for patients with tracheostomies recalcitrant to standard decannulation protocols

Ashfield T, Clark L, Ahmad I, Oakley R

Poster Presentation, *BACO*, Brighton, 2012

Airway management in thoracic anaesthesia

Sophie Shapter, James Bennett, Cheng Ong

Poster Presentation, *RCOA Annual Meeting*, London 2012

Airway management in thoracic anaesthesia

Sophie Shapter, James Bennett, Cheng Ong
Oral Presentation, *SETSA*, Guy's Hospital April 2012

Improving tracheostomy decannulation in recalcitrant cases using the comprehensive dynamic airway assessment (CDAA)

T. Ashfield, B. Shephard, D. Chatterjee, L. Clark, I. Ahmad, R. Oakley
Oral presentation, *Irish Otolaryngology Society ASM*, Ireland, October 2012
Highly commended by judges

Introducing the airway alert system for head and neck surgery patients

T. Ashfield, B. Shephard, D. Chatterjee, I. Ahmad, R. Oakley
Oral presentation, *Irish Otolaryngology Society ASM*, Ireland, October 2012

Decision making in airway management

Diana Bariesene, Cheng Ong
Poster presentation, *DAS ASM*, Cardiff, November 2012

Factors affecting muscle fatigue during fiberoptic intubation

D Baresiene, G Dua, J Friis, I Ahmad
Poster presentation, *DAS ASM*, Cardiff, November 2012

Association of bispectral index with clinical sedation for monitoring depth of sedation during awake intubation in patients with difficult airways

G Dua, B Milhoff, J Friis, M Raval
Poster presentation, *DAS ASM*, Cardiff, November 2012

High pressure source ventilation- An online survey in a London Teaching Hospital

Britta Millhoff, Gunjeet Dua, Cheng Ong
Poster presentation, *DAS ASM*, Cardiff, November 2012

Intubation through LMA, length of endotracheal tube a crucial factor in determining the smallest tube size feasible.

G Dua, I Ahmad
Poster presentation, *DAS ASM*, Cardiff, November 2012

Comprehensive Dynamic Airway Assessment (CDAA) using topical local anaesthesia

B Shephard, J Chaterjee, Ashfield T, Clark L, Ahmad I, Oakley R
Oral presentation, *DAS ASM*, Cardiff, November 2012

Developing an Airway Alert system for post surgical head and neck patients

J Chaterjee, B Shephard, R Oakley, S Tricklebank, I Ahmad
Poster presentation, *DAS ASM*, Cardiff, November 2012

Virtual Endoscopy – A new tool in difficult airway management

B Milhoff, K Andi, R Oakley, I Ahmad
Oral presentation, *DAS ASM*, Cardiff, November 2012
WINNER 1st PRIZE (Ralph Vaughan Cup) for 'best oral presentation'

Bispectral index (BIS) for Awake Fibre optic Intubation

M Raval, D Manjiani

Poster presentation, *DAS ASM*, Cardiff, November 2012

The shared airway: A retrospective analysis of local anaesthetic tracheostomies performed at a tertiary referral Head & Neck oncology centre

D Manjiani, N Gibbins, R Oakley, I Ahmad

Poster presentation, *DAS ASM*, Cardiff, November 2012

Knowledge and application of cricoid pressure

D Manjiani

Poster presentation, *DAS ASM*, Cardiff, November 2012

Airway management in thoracic anaesthesia

Sophie Shapter, James Bennett, Cheng Ong

Poster presentation, *DAS ASM*, Cardiff, November 2012

Airway management in thoracic anaesthesia

Sophie Shapter, James Bennett, Cheng Ong

Poster presentation, *ACTA*, Newcastle, 2012

Familiarity with difficult airway equipment-survey amongst members of ANZICS

JChaterjee

Poster presentation, *ANZICS Annual Congress*, Adelaide, October 2012

Developing an Airway Alert system for post surgical head and neck patients

J Chaterjee, B Shephard, R Oakley, S Tricklebank, I Ahmad

Poster presentation, *ICS State of the Art Meeting*, London, December 2012

Muscle Fatigue in fiberoptic intubation. Ambu aScope 2 versus Storz

G Dua, D Bariesiene, J Friis, I Ahmad

Abstract accepted for Publication, *Anaesthesia* Oct 2012;67(2):1-8

Virtual Endoscopy – A new tool in difficult airway management

B Milhoff, K Andi, R Oakley, I Ahmad

Abstract accepted for publication, *Anaesthesia*

2013:

2 bends are better than one

B Shephard, JChaterjee, IAhmad, ROakley
Poster Presentation, *NWAC*, Bangkok, April 2013

Use of the perctoralis major pedicled flap for head and neck cancer reconstruction in a patient with a pacemaker device

B Shephard, JChaterjee, IAhmad, ROakley
Oral Presentation, *NWAC*, Bangkok, April 2013

Use of BIS monitoring during AFOI in patients with difficult airways

GDua, JFriis, BMilhoff, MRaval
Poster Presentation, *NWAC*, Bangkok, April 2013

Use of LiDCO for perioperative fluid therapy in free flap surgery

GDua, DBareisene, JWatkiss
Poster Presentation, *BAHNO*, London, April 2013

Developing an Airway Alert system for post surgical head and neck patients

Poster Presentation, *BAHNO*, London, April 2013
J Chaterjee, B Shephard, R Oakley, S Tricklebank, I Ahmad

Aberrant Central line placement

J Chaterjee
Published Correspondence, *Anaesthesia & Intensive Care*,

Use of the perctoralis major pedicled flap for head and neck cancer reconstruction in a patient with a pacemaker device

B Shephard, J Chaterjee, I Ahmad, R Oakley, T Ashfield
Poster Presentation, *BAHNO*, London April 2013

Comprehensive Dynamic Airway Assessment (CDAA): an audit of a novel technique to improve rates of tracheostomy decannulation

T Ashfield, J Chaterjee, B Shephard, I Ahmad, R Oakley
Poster Presentation, *EAORL NHS Congress*, Nice France, April 2013

Pre-operative awake tracheostomies-a viable first line for the difficult airway

P Webb, N Gibbins, R Oakley, J Friss, H Edmonds, I Ahmad
Poster Presentation, *EBPOM*, London, July 2013

Dynamic airway assessment

Richard Oakley, Tom Ashfield, Imran Ahmad
Oral presentation, *American Acedemy ENT*, Toronto, October 2013

Current trends in the use of throat pack – a national survey

Ashok Nair, James Bennett, Abby Medniuk, Imran Ahmad
Poster Presentation, *DAS ASM*, Ascot, November 2013

The airway samurai: a structured and graduated approach to the acquisition of airway management skills based on a martial arts training philosophy

Stavros Prineus, Ashok Nair, Abby Medniuk, Imran Ahmad

Poster Presentation, *DAS ASM*, Ascot, November 2013

Life-threatening asthma requires a (DAS) guideline

Willie Sellers, Imran Ahmad

Poster Presentation, *DAS ASM*, Ascot, November 2013

WINNER 1st PRIZE for 'Best Poster Presentation'

A patient with spinal muscular atrophy, a difficult airway and an impending Caesarean section

P Webb, A Medniuk, I Ahmad

Poster Presentation, *DAS ASM*, Ascot, November 2013

Evaluation of laryngeal mask airway supreme, unique, i-Gel and 3gLM airway devices using a simulated active vomiting and a passive regurgitation model

Ashok Nair, Don Miller, R Hofmeyer

Oral Presentation, *DAS ASM*, Ascot, November 2013

Analysis of MHRA field safety notices for airway-related devices: does this post-marketing surveillance work?

A Patel, C Heneghan, I Ahmad, JJ Pandit

Oral Presentation, *DAS ASM*, Ascot, November 2013

An Anaesthetist, a scalpel, and a difficult airway...a novel rescue technique

A Medniuk, J Bennett, I Ahmad

Oral Presentation, *ACTA*, Nottingham, November 2013

2014:

Reducing repair and replacement costs of damaged flexible intubating fibrescopes - an audit to maintain safety in an economic conscious climate

P Webb, J Friis, I Ahmad

Poster Presentation, *AAGBI WSM*, London, January 2014

Moving on after two years of the fourth national audit project – Are we training our team enough?

G Dua, I Ahmad

Poster Presentation, *AAGBI WSM*, London, January 2014

A survey among consultant anaesthetists – scope for more training in advanced airway skills?

G Dua, I Ahmad

Poster Presentation, *AAGBI WSM*, London, January 2014

Nerve Integrity monitor tubes for thyroid surgery

A Mednuik, D Bareisiene, I Ahmad

Published Correspondence, *Anaesthesia*. 2014 Mar;69(3):287-8.

doi: 10.1111/anae.12608. PMID: 24548367

An Anaesthetist, a scalpel, and a difficult airway...a novel rescue technique

A Medniuk, J Bennett, I Ahmad

Oral Presentation, *Doctors Update*, Val d'Isere, January 2014

Improving tracheostomy decannulation by Comprehensive Dynamic Airway Assessment (CDAA) under local anaesthesia

Karan V Kapoor, Thomas Ashfield, Buzz Shepard, Debamoy Chatterjee, Lynne Clarke, Imran Ahmad, Richard Oakley

Poster Presentation, *European Laryngology Society Congress*, Turkey, April 2014

AFOI – 6 months provisional data on outcomes at a busy London teaching hospital

A Medniuk, A Nair, I Ahmad

Poster Presentation, *NWAC*, Vienna, April 2014

Bronchocutaneous Fistula & a Difficult Airway

A Medniuk, A Nair, J Bennett, I Ahmad

Poster Presentation, *NWAC*, Vienna, April 2014

Current Trends in the use of throat pack – a national survey

A Nair, A Medniuk, J Bennett, I Ahmad

Poster Presentation, *NWAC*, Vienna, April 2014

Evaluation of extraglottic airway devices using a simulated active vomiting and passive regurgitation model

A Nair, A Medniuk, I Ahmad, D Miller

Poster Presentation, *NWAC*, Vienna, April 2014

Predicted impossible mask ventilation in a patient with giant rhinophyema

J Bennett, P Webb, I Ahmad, C Hopkins

Anaesthesia Cases, <http://www.anaesthesiacases.org/case-reports/2013-0132>

Fibreoptic tracheal intubation training using bronchoscopy simulation

S Badiger, A Fearnley, I Ahmad

Published correspondence, *Eur J Anaesthesiol* 2014; **31**:1-1

The application of cricoid pressure during rapid sequence induction -- time to let go and grab an ultrasound?

A Fearnley, S Badiger, I Ahmad

Oral Presentation, *AAGBI Annual Congress*, Harrogate, September 2014

High flow nasal cannula as an oxygen delivery device during awake fibreoptic intubation

S Badiger, A Fearnley, I Ahmad

Oral Presentation, *AAGBI Annual Congress*, Harrogate, September 2014

WINNER 2nd PRIZE for 'best oral presentation'

High flow nasal cannula as an oxygen delivery device during awake fibreoptic intubation

S Badiger, A Fearnley, I Ahmad

Published Abstract, *Anaesthesia* Oct 2014:69(4);1-8

Use of the Ventrain® in a patient with complete upper airway obstruction preventing expiration during high frequency jet ventilation

A Fearnley, S Badiger, I Ahmad

Poster Presentation, *DAS ASM*, Stratford-upon-avon, November 2014

Availability of videolaryngoscopes in EDs across UK.

A Fearnley, S Badiger, Dina, I Ahmad

Poster Presentation, *DAS ASM*, Stratford-upon-avon, November 2014

High flow nasal cannula as an oxygen delivery device during awake fibreoptic intubation

M John, S Badiger, A Fearnley, I Ahmad

Oral Presentation, *DAS ASM*, Stratford-upon-avon, November 2014

WINNER 1st PRIZE (Ralph Vaughan Cup) for 'best oral presentation'

Learning fibreoptic tracheal intubation skills using a bronchoscopy simulator

S Badiger, A Fearnley, I Ahmad

Poster Presentation, *DAS ASM*, Stratford-upon-avon, November 2014

A quality improvement project to increase the use of flexible nasoendoscopy for airway management planning

S Badiger, A Fearnley, I Ahmad

Poster Presentation, *DAS ASM*, Stratford-upon-avon, November 2014

Ultrasound of the airway- a skill we should all learn?

C Oti, M Khan, I Ahmad

Poster Presentation, *DAS ASM*, Stratford-upon-avon, November 2014

Evaluation of the new single use D Blade for the C-MAC videolaryngoscope

C Oti, I Ahmad

Poster Presentation, *DAS ASM*, Stratford-upon-avon, November 2014

Evaluating the impact of PEEP on aspiration risk with SGA devices

M John, I Ahmad, D Miller

Oral Presentation, *DAS ASM*, Stratford-upon-avon, November 2014

Gastric drainage tubes and aspiration risk with SGA devices

M John, I Ahmad, D Miller

Poster Presentation, *DAS ASM*, Stratford-upon-avon, November 2014

AFOI audit

A Mednuik, I Ahmad

Poster Presentation, *DAS ASM*, Stratford-upon-avon, November 2014

High flow nasal cannula as an oxygen delivery device during awake fiberoptic intubation

M John, S Badiger, A Fearnley, I Ahmad

BJA Abstract publication

Evaluating the impact of PEEP on aspiration risk with SGA devices

M John, I Ahmad, D Miller

BJA Abstract publication

2015:

Preload the bougie when using the Airtraq®

Martin John, Imran Ahmad

Published correspondence *Anaesthesia* Jan 2015:70(1);111-112

Reducing repair and replacement costs in a thoracic tertiary centre: closing the audit loop on flexible fibrescope breakage

M John, S Badiger, P Kenny, I Ahmad

Poster Presentation, *ACTA Spring Meeting*, Manchester, March 2015

Not the same but same enough

C Oti, I Ahmad

Published Correspondence, *Anaesthesia* Mar 2015:70(3); 371-372

Virtual Endoscopy - a new assessment tool in difficult airway management

I Ahmad, B Millhoff, K Andi, R Oakley, M John

JCA accepted for publication

Ultrasound of the airway - an essential skill for the anaesthetist?

A. Fernley, C. Oti, S. Badiger, I. Ahmad

Oral Presentation, ESA, Berlin May 2015

Ultrasound of the airway - an essential skill for the anaesthetist?

A. Fernley, C. Oti, S. Badiger, I. Ahmad

Published Abstract EJA Supplement 2015

Evaluation Of The New Single Use Blade For The C-MAC Videolaryngoscope System (C-MAC S)

C.Oti, I.Ahmad

Poster Presentation, NWAC, Vancouver, April 2015

Ultrasound of the airway – a skill we should all learn?

C.Oti, I.Ahmad

Oral Presentation, NWAC, Vancouver, April 2015

Extraglottic airways to decrease tracheal tube usage

M.John, D.Miller

Poster Presentation, NWAC, Vancouver, April 2015

Ultrasound of the airway – a skill we should all learn?

C.Oti, I.Ahmad

Published Abstract, Journal supplement of *Minerva Anaesthesiologica*

Antiplatelet management in H&N oncological patients – a bleeding nightmare?

N Watson, I Ahmad, B Hunt, M Tyrrell, R Oakley

Poster presentation, BHANO, London, May 2015

Were patients intubated ‘blindly’?

J Maclean, I Ahmad

Published correspondence, Anaesthesia April 2015

<http://www.respond2articles.com/ANA/forums/thread/1889.aspx>

Ultrasound of the airway – an essential skill for the anaesthetist?

C Oti, M Khan, I Ahmad

Oral Presentation, Euroanaesthesia, Berlin, May 2015

Optimising oxygenation and intubating conditions during awake fiberoptic intubation using a high flow nasal oxygen delivery system

S Badiger, M John, A Fearnley, I Ahmad

British Journal of Anaesthesia, 115 (4): 629–32 (2015)

Virtual Endoscopy - a new assessment tool in difficult airway management

M John, B Millhoff, K Andi, R Oakley, I Ahmad

J Clin Anesth. 2015 Sep;27(6):508-13

Anaesthesia for the difficult airway

K El-Boghdadly, I Ahmad

Journal of ENT Masterclass, 2015

Developing a comprehensive enhanced recovery protocol for Head & Neck Cancer Challenges for the future.

R Oakley, I Ahmad

Journal of ENT Masterclass, 2015

Advanced Airway "Fellowships" In The United Kingdom (UK): An Education In Training

M Priyasharma, I Ahmad

Poster presentation, WAMM, Dublin, Nov 2015

Does Virtual Endoscopy Aid In The Diagnosis And Management Of Patients With Expected Difficult Airways?

J Mclean, B Millhoff, I Ahmad

Poster presentation, WAMM, Dublin, Nov 2015

WINNER 2nd PRIZE for best ‘poster presentation’

2016:

Elective use of the Ventrain® in a patient with complete upper airway obstruction preventing expiration during high frequency jet ventilation

A Fearnley, S Badiger, R Oakley, I Ahmad
JCA, accepted for publication, 2016

Are new guidelines for hypertension management before elective surgery appropriate for all surgical specialties?

J Jeyarajah, I Ahmad

Published Correspondence, Anaesthesia 2016,

<http://www.respond2articles.com/ANA/forums/thread/2107.aspx>

THRIVE for AFOI in Obese Class III patients

D Onwochei, K El-Boghdadly, I Ahmad

Oral Presentation, SETSA, Canterbury, Oct 2016

WINNER of 2nd PRIZE for best ‘oral presentation’

Difficult Airway Trolley Audit at Guy’s and St Thomas’ NHS Foundation Trust

Okiemute Emanuwa, Valentine Woodham, Imran Ahmad

Poster Presentation, SETSA, Canterbury, Oct 2016

WINNER of 1st PRIZE for best ‘poster presentation’

A Mannequin Study To Assess The Accuracy Of Manual Bag-value-mask Ventilation Delivered By Anaesthetists

M Sharma, I Ahmad

Poster Presentation, DAS ASM, Torbay, Nov 2016

Front Of Neck Access Training And Confidence-A Multicentre Survey Of Anaesthetists And Surgeons

M Sharma, I Ahmad

Poster Presentation, DAS ASM, Torbay, Nov 2016

A Quality Improvement Project To Improve Communication And Patient Safety With The Introduction Of A Simple Nasoendoscopy Sticker

M Sharma, I Ahmad

Poster Presentation, DAS ASM, Torbay, Nov 2016

Difficult Airway Trolley Audit at Guy’s and St Thomas’ NHS Foundation Trust

Okiemute Emanuwa, Valentine Woodham, Imran Ahmad

Poster Presentation, DAS ASM, Torbay, Nov 2016

New DAS Guidelines, Did You Even Know?

Jibrán S Qureshi, George Christodoulides, Imran Ahmad

Poster Presentation, DAS ASM, Torbay, Nov 2016

Transnasal Humidified Rapid-Insufflation Ventilatory Exchange (THRIVE) For Awake Fiberoptic Intubation In Obese Class III Patients

D Onwochei, K El-Boghdadly, I Ahmad

Poster Presentation, DAS ASM, Torbay, Nov 2016
