Comments -

Excellent course , great faculty	third day in theatres	Top class speakers and facilitators
Very friendly faculty and organisers	ultrasound station more time	comprehensive programme
superb format	loved all the videos	ultrasound station hidden gem
pitched at the right level	trainees hall crowded a bit	live demonstrartion of awake intubations
CBD Excellent	excellent value for money	novel presentations esp debate
online resources please ?	debate very lively	great venue well organised stimulating
live FOI with video link	paeds station	kept upto expectations
more time with simulators	excellent topics and speakers - very relevant	
interesting lectures	teachers had a lot of patience at workshops	
great to see all the equipement	brilliant two days	
	best airway course in the country
