

Guy's AMC Workshops, 9th June 2016

6 zones, 45 minutes per zone

Zone 1 – Plan A (tracheal Intubation):

Hands on Practice using all the latest devices and an opportunity to learn about their advantages and limitations

Videolaryngoscopes

- Glidescope
- CMAC
- AP Advance
- Intubrite

Other advanced airway devices

- Airtraq
- KingVision
- Bonfils
- ET View
- Totaltrack
- Optiflow

Zone 2 – Plan B (intubation through SGAs):

Intubation techniques through Supraglottic airways (SGA) & SGA station

- 1 & 2 stage fiberoptic guided techniques
- ILMA
- The Air Q intubating SGA
- Other new intubating SGA devices

Zone 3 – Plan D (scalpel & surgical techniques):

Scalpel Cricothyroidotomy

- DAS suggested techniques demonstrated by guidelines authors
- Needle/scalpel/bougie/tube technique
- Surgicric and other kits demonstrated

Surgical Tracheostomy

- Anatomy & techniques for surgical airway
- Hands on practice and video demonstrations
- Demonstrated by experienced ENT Head & Neck surgeons

Zone 4: FONA (cannula & percutaneous techniques):

Needle Cricothyroidotomy- fine bore & wide bore

- Ravussin fine bore needle cricothyroidotomy
- Quicktrach I & II wide bore cannulae
- Portex & Melker cricothyroidotomy kits
- Ventrain

Percutaneous Tracheostomy

- Latest percutaneous tracheostomy kits & techniques
- Demonstrated by experienced ICU consultants

Zone 5 – Fibreoptics & Awake FOI techniques:

Airway Trainer – ORSIM & Airway mannequins

- Practice fiberoptic skills on the bronchoscope simulator & airway mannequins
- Tips from experts to refine manual dexterity and improve fiberoptic skills

Zone 6 – Airway Ultrasound & Paediatric Difficult Airway:

US assessment of the Airway

- US imaging of important airway structures
- Use of US in percutaneous tracheostomy

Paediatric advanced airway management techniques

Course Directors:

Dr Imran Ahmad

Airway Lead, DAS Committee
GSTT, London

Dr Gunjeet Dua

Consultant Anaesthetist
GSTT, London

External Invited Faculty (selection):

Dr Anil Patel

President DAS

Dr Pedro Acha

Inventor Totaltrack & Airtraq

Dr Jairaj Rangasami

Immediate past President DAS

Dr M Nasir

Inventor i-gel & v-gel

Professor Mansukh Popat

Past President DAS

Dr Chandy Verghese

Past President SAM

Dr Adrian Pearce

Founder DAS

Dr Ravi Bhagrath

Co-author DAS guidelines

Professor Ellen O'Sullivan

Former President DAS

Dr Bhav Patel

Airway Lead, Guildford

Dr Andy Higgs

Treasurer DAS

Dr Jacob Kramer

Salzburg, Austria

Dr Mary Mushambi

Co-Author Obstetric guidelines

Dr Luc Tielens

Nijmegen, Netherlands

Dr Perihan Ali

Leicester

Dr Jay Dasan

Airway Lead, KCH

Dr S Radhakrishnan

Immediate past Secretary DAS

Dr Belen de Jose Maria

Barcelona, Spain

Professor Fritz Puhlinger

Reutlingen, Germany

Dr Fauzia Mir

Airway Lead, St George's

Dr Atul Kapila

Past Secretary DAS

Dr Alistair McNarry

Co-author DAS guidelines
